## COVID-19 GENERAL INFORMATION

### GENERAL RECOMMENDATIONS FOR ALL PARTICIPANTS AND VISITORS

The president of COLORE APS ETS in order to communicate this information and any provisions of the Authorities for the contrast and containment of Covid-19 provides that all participants in the activities of COLORE APS ETS and visitors to its center are informed that **access to the headquarters is subject**, in addition to what is indicated in Article 1.3 of the internal regulations adopted by the shareholders' meeting on 11 July 2020, mandatory compliance with this information.

- 1.** In consideration of the continuous adaptation of the legislation to the evolution of the Sars-Cov2 / Covid19 pandemic, **it is necessary that everyone respects the current reference legislation at the time of each access to the center.**
- 2.** It is advisable that subjects with respiratory infection characterized by fever (greater than 37.5 °) remain at home and contact their doctor.
- 3.** Inside the center it is strongly recommended to respect social distancing while maintaining the minimum safety distance of 1 meter, even when seated.
- 4.** At the entrance to the center it is strongly suggested to clean / disinfect your hands using the appropriate gel dispensers specially made available.
- 5.** Using surgical masks and / or higher (eg ffp2) to protect the respiratory tract for visitors and participants is strongly recommended (ffp2 masks are made available by Colore APS ETS for workers / volunteers and, upon request to visitors / participants for use on site).
- 6.** The disposal of disposable masks and gloves (as well as paper for hygienic uses – for example: handkerchiefs, napkins) must take place in the bins of undifferentiated collection, where there are no specific dedicated containers.
- 7. Each volunteer / worker** before his first access to the office must necessarily have made an appointment with the President or with a person in charge to proceed to be informed of all updates concerning him, with reference to the "INFORMATION AND PRECAUTIONARY MEASURES FOR THE CONTAINMENT OF THE SPREAD OF SARS-COV2 / COVID-19 at the headquarters of the social integration center in via Moncucco 29- Milan", then for the delivery of PPE (personal protective equipment).
